

SHREK

THE MUSICAL JR

WEDNESDAY CAST

Payment

Total cost for Broadway Academy is \$600.

- \$50 Registration Fee
- \$50 Costume Fee
- \$100 Monthly Tuition (5 months)

However, for those who wish to pay ALL upfront on the first day of class, **we will waive the \$50 Costume Fee**. If paying monthly, Parents of Guardians will fill out a form on the first day of class to signify their preferred form of payment (cash, check, or Venmo* [with a fee]).

Auditions

Before class starts, we are asking every registered student to submit an audition video.

These are **due by Saturday February 14th by midnight**. We will then kick off our semester with a **parent and student meeting the following week on Tuesday, the 17th**. **It is very important that every student has an adult representative in class that day!** We will be going over things like expectations, payments, callbacks, communication, etc.

For your audition video, please prepare a 1-minute cut of a song you love to sing!

Preferably in the style of musical theatre or a Disney film. You are also welcome to include a monologue in your video if you wish, but we are not requiring it. **Please send us your videos via an Unlisted YouTube link (when you go to upload, the “unlisted” option is under visibility)**. It is the safest, smoothest option! Please email your links, along with a resume and headshot, to info@centerstageif.com. In the subject line please mention that it is your Shrek Jr. audition!
